

Follow the money to the real issues!

Follow the money and you can learn a lot about a candidate's values and the kind of votes they will make once in office.

You may think expanding the Aurora Airport only matters to Wilsonville and Charbonneau, but they've opposed Aurora Airport expansion for a reason: the absence of required infrastructure and negative impacts on the city.

A \$37 Million expansion of the Aurora Airport will impact everyone in terms of:

- More Traffic and congestion
- More aircraft noise and overflights
- Loss of farmland and quality of life.

		Wants to expand the Aurora Airport to 6,000 feet	Accepted campaign contributions from special interests
Rick Lewis	HD 18	Yes	Yes *
Barry Shapiro	HD 18	No	No
Kevin Cameron	County Comm.	Yes	Yes **
