Follow the money and you can learn a lot about a candidate's values and the kind of votes they will make once in office. Why are **outside contributors** so interested in City Council races in Wilsonville?

You may think expanding the Aurora Airport only matters to Charbonneau, but Wilsonville has opposed Aurora Airport expansion for a reason: the absence of required infrastructure and negative impacts on the city.

A \$37 Million expansion of the Aurora Airport will impact everyone in terms of:

- More Traffic and congestion
- More aircraft noise and overflights
- Loss of farmland and quality of life.
