New Research Finds Hazelnuts High in Antioxidants >>>

Westnut is the largest processor and marketer of hazelnuts in North America. Our customers include some of the most successful food service supply companies, confectionaries, snack food makers and bakers in the world. Our buyers count on us for impeccable, efficient service, year round supplies and consistent delivery of the highest quality products. In addition, Westnut is a division of Hazelnut Growers of Oregon, which ensures an expertise and dedication beyond repute. If your business depends on getting fresh, high-quality, consistent hazelnut products, on time, any time, Westnut can help.
